(d) **Compensation.** A retired justice or judge is entitled to receive compensation for judicial service pro tempore at the rate of \$300 per day for any day during which the justice or judge served for four hours or more, and \$150 per day for any day during which the justice or judge served less than four hours. The annual compensation for pro tempore service may not exceed the difference between the retired justice's or judge's annual retirement pay and the current annual base salary of a justice or judge of the court from which the justice or judge retired. The retired justice or judge is also entitled to receive full medical insurance coverage during the same period. The retired justice or judge is not entitled to personal, annual, or sick leave benefits, and acceptance of an appointment pro tempore acts as a waiver of any claim to such benefits. For an appointment of over 90 consecutive days, such leave may be granted at the discretion of the administrative director upon confirmation by the chief justice.
