### **Education**

There have been discussions on the focus of this committee and if the direction should be changed to more of an advisory/action committee that addresses community engagement to identify the gaps or areas of educational improvement. Lizette and Dave will continue to co-chair and hold a meeting to further define its focus moving forward and update at the January meeting.

### **Probate Rules**

The rules committee is still commissioned but suspended until necessary as the first set of rules has now been adopted and will go into effect 10/15.21. The Court forms attorney is addressing any forms that need updates/changes due to the new rules

### **Court Improvement & Monitoring**

Lisa W gave an overview of the new Income and Expense Tracker app that is now starting an initial test pilot with a small group of family guardians to provide feedback over the next three months before we look at the larger pilot. The grant is due 10/1/21 and awards would be announced in February with funding coming in April 2022.

  - iii. Of those in attendance, there wasn't anyone opposed to forming this committee so calls were made for members.
